

Music and Beyond

**Player

Programme**

Our donors make the music happen, but it means so much more than that. Through their support, each year we directly engage with 100,000 South Islanders through uplifting performances and community based programmes that have lasting impact. We believe music is for everyone and work hard to offer year-round opportunities that truly benefit the people in our community.

Player Partnership Donor Programme

Donations to the Player Partnership programme underpin everything we do. Over the last 12 months they have enabled the CSO to complete a huge range of activities, including:

Support Options

You Make the Difference! Join now for 2018

We are now inviting new and existing patrons to be a part of the Player Partnership donor programme in 2018. Together, we can positively affect the lives of thousands of Cantabrians through the power of music.

The Player Partnership Programme is open to individuals, groups or businesses. Support can be tailored to suit your means. Create a syndicate with friends or colleagues and each contribute a little, or support a player as an individual. Whether you can contribute \$200 or \$4000, it all makes a difference in ensuring the future of the CSO and the many community benefits resulting from our work.

In recognition of your support, the CSO is pleased to offer our Player Partner donors the following privileges:
